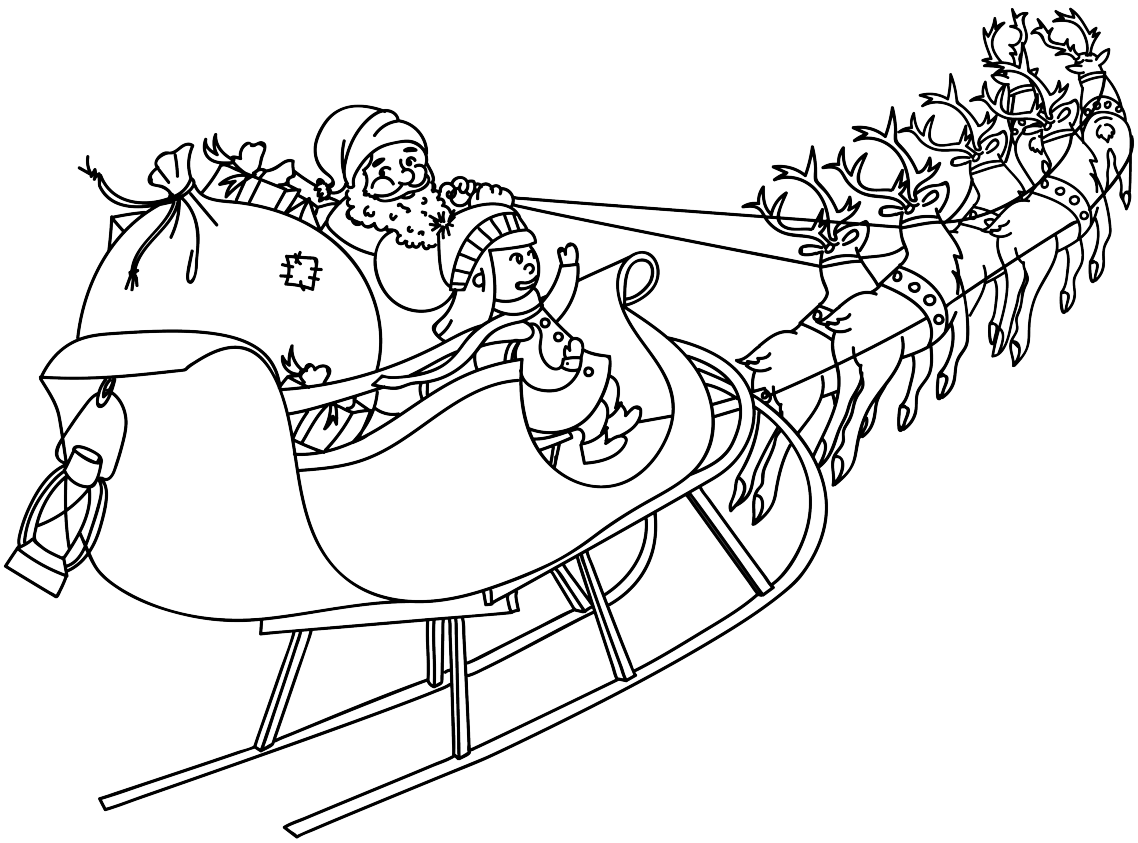
Ken the Elf

Ken the elf had a big shop.

In his shop, the elf had gifts for a lot of kids. Ben, Jill, Tim and Pam were on his list.

"Ben will get a bus. Pam will get a dress and Tim will get a red hat," said the elf. But the elf did not get a gift for Pam. "Oh no!" said the elf.



The elf ran to Santa. "I did not get Pam a gift," said the elf. "What shall I do?" The elf was sad.

Santa said, "Ho, ho, ho... I will help. Ken, Pam can sit in my big red sled. We will get up, up, up." "That is the best gift yet," said the elf. The End.
